Entry form completion notes

Please fully read this section before completing form

This year's tournament will of course feel a little bit different because of the past year or so, but we are determined to make it happen as best we can, whilst ensuring we follow all Bowls Scotland protocols in place at the time.

There will be **no consolation singles or gents/ladies pairs** this year due to green space constraints (not all are hosting games), but we do hope to hold the consolation mixed pairs as normal.

Due to time restrictions caused by the delayed entry form issue and cut-off date, this year the full programme of the draw will be sent out to entrants **by email only**. It will also be available via the normal social media channel for the tournament (**Facebook - Dunoon Open Bowls Week**).

Paper copies of the draw will be made available at the host clubs at the start of the week.

Should we have to cancel the tournament for whatever reason, a refund can be issued, or entry fees carried to next year's tournament.

Bank transfer: As well as cash or cheque, payment is also accepted into the below account.

Please use surname of the form forwarder as a payment reference.

Account Name: Cowal Bowling Association

Sort code: 80-13-46

Entries will be acknowledged by email. However, if you would like a paper entry acknowledgement – please enclose a stamped addressed envelope with your entry form.

Gents/Ladies Singles: 21 shots up

Gents/Ladies Pairs: 17 ends

Where necessary, players may be required to compete in the evening (usually only gents pairs quarter finals and consolation mixed pairs).
