Entry form completion notes

Please fully read this section before completing form

Two years we introduced a popular addition to the tournament week, whereby if you lose your **first game** in either the singles or pairs events, you can choose to drop into the consolation event.

As last year, players have the option on the form to **opt in** or **opt out** of the consolation tournaments. There is no extra charge for these events – they are merely designed to guarantee competitors a second game and to play for some prize money.

Please note the following when completing the form:

1. Clearly indicate if this form is for **Gents or Ladies** entries by **ticking** the relevant box.
2. Please **tick the consolation box** to indicate if a player or a pair **wishes to play** in the consolation event if they lose their first game. If they **do not** – **please leave this consolation box blank – do not make any mark in the box.**
3. Please use **BLOCK CAPITALS** throughout the form.
4. Please use a **single entry line** for **both** pairs names and clubs, do not write lead and skip on separate lines.

A programme of the draw will be sent out to entrants within the Dunoon area, and emailed to those out with the local clubs. Any entrant from outwith the Dunoon area that especially needs a hard copy before arriving in Dunoon please contact Andy Weir on the details below, otherwise there will be copies available upon arrival.

Singles: 21 shots up

Pairs: games of 17 ends

Where necessary, players may be required to compete in the evening.
